Please make arrangements to check in by 5:00 on Friday, November 5<sup>th</sup>. You may check in as early as 3:00 at the Turner Center. Friday night dinner, Saturday lunch and Sunday Lunch will be included for paid participants; if other members would like to join us for meals, please let me know in advance so that we can be prepared with plenty of food. We do request that guests help with food expenses. Be sure to bring snacks and drinks for Saturday and Sunday. The clinic will run Friday evening, all day on Saturday, and until late afternoon on Sunday. Be sure to bring your show supplies and equipment. Rudd's Show Supply trailer will be on site to provide any additional items you may need. Listed below are some of the supplies and equipment you may need for the week-end.

Grooming Chute	Clippers & blades
Blower	Livestock shampoo
Combs & Brushes	Grooming products

Don't forget feed, buckets and hoses! All animals need to be double tied in the barn overnight.

You will be receiving lots of information during the week-end, so you may want to bring a notebook to take some notes to refer back to after the clinic. There will not be any hand-outs, so you are responsible for taking your own notes.

Again, please feel free to call with any questions.
